Dear Mr. and Mrs. Aguilar,

Thank you for your continued interest in having Pasco Laret Suiter and Associates, Inc. provide you with our surveying services. Per your request we have prepared the following addendum for additional surveying services.

1) Dispatch a survey crew to locate improvements within 5 feet of the property lines.
2) Review the Title Report.
3) Prepare an exhibit depicting the result of the field survey, encumbrances listed in the Title Report and easements benefitting the property as listed in the Title Report.

We anticipated the cost for the above scope of work at $3700.00.

If you wish to proceed, please sign below and return.

If you have any questions or comments regarding the above, please feel free to contact us.

Sincerely,

Joseph Yuhas PLS 5211
