RE: LIMITED FEASIBILITY STUDY – VACANT LAND, BELLA VISTA DRIVE, ENCINITAS, CA 92024 (APN: 216-122-17)

Dear Kyle,

Pursuant to our meeting we propose to perform surveying/engineering services as follows:

1) Calculate record exterior boundary of the vacant property located on Bella Vista Drive based on a Preliminary Title Report (PR) to be furnished by you or available record data.
2) Plot any appurtenant easements listed in the PR if available.
3) Prepare a slope analysis using County 200 scale or City topography for density purposes, if necessary.
4) Create a plat plan of same and calculate net lot area.
5) Determine ultimate lot yield utilizing City of Encinitas Zoning criteria (including Density Bonus)
6) Confirm public utilities are readily available to the site.
7) Perform site visit to review property for any potential drainage problems related to the development of a Subdivision.
8) Meet with you to discuss our findings.
9) Schedule and attend a Staff Advisory Committee meeting at the City of Encinitas.

We estimate the cost to provide Items 1-9 to be $900 - $1,260. We propose to perform our work on a Time & Materials basis per the attached Fee Schedule, Exhibit B.

If you agree with the above, please sign the acknowledgement below and return same to our office.

If you have any questions or comments, please feel free to contact us.

Thank you again for the opportunity to offer our services.

Sincerely,

Brian Ardolino, RCE, QSD
Associate Principal

Please proceed as outlined above
